250 m

SOS

A wide, newly paved highway with a red SOS sign on the left and a grassy embankment on the right under a blue sky. The road is dark asphalt with white lane markings, including a dashed line on the left and a solid line on the right. A metal guardrail runs along the left side of the road. On the right side, there is a grassy embankment with a concrete retaining wall. In the background, there are trees and a small building on a hill. The sky is clear blue with a few wispy clouds.
